Bureau of the Mint,

Washington, D. C., September 20, 1895.

Herman Kretz, Esq.,

Superintendent, U.S. Mint,

Philadelphia, Pa.

Sir:-

I will thank you to hand the enclosed letter to the Engraver of your Mint.

I think it essential that Mr. Barber should go to Waterbury, Connecticut, to make an examination as to the character of the bronzing of the World's Fair Medals now being manufactured by the Scovill Manufacturing Co., in that city.

Respectfully yours,

A. B. Bristol
Director of the Mint.
